I understand that professional fees are due and payable at the time of treatment unless prior arrangements have been specifically made. In case my account is placed for collection, I agree to pay collection costs and expenses incurred including reasonable attorney fees.

Your insurance will not pay for the **Wellness Retinal Analysis**; our fee for retinal photographs is **$39**. The screening retinal photographs provide the doctor with an in depth view of the central retina and provides a permanent record to compare and track potential eye diseases. The doctor highly recommends the screening retinal photographs, for every patient, as an important part of your year eye exam

Patient Consent Form

Our Notice of Privacy Practices provides information about how we may use and disclose protected health information about you. The notice contains a patient rights section describing your rights under the law. You have the right to review our notice before signing this consent. The terms of our notice may change. If we change our notice, you may obtain a revised copy by contacting our office.

You have the right to request that we restrict how protected health information about you is used or disclosed for treatment, payment or health care operations. We are not required to agree to this restriction, but if we do, we shall honor that agreement.

By signing this form, you consent to our use and disclosure of protected health information about you for treatment, payment and health care operations. You have the right to revoke this consent in writing, signed by you. However, such a revocation shall not affect any disclosures we have already made in reliance on your prior consent. Rogers Family Eye Care provides this form to comply with the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

The patient understands that:

- Protected health information may be disclosed or used for treatment, payment or health care operations.
- Rogers Family Eye Care has a Notice of Privacy Practices and that the patient has the opportunity to review this notice.
- Rogers Family Eye Care reserves the right to change the notice of privacy policies.
- The patient has the right to restrict the uses of their information but Rogers Family Eye Care does not have to agree to those restrictions.
- The patient may revoke this consent in writing at any time and all future disclosures will then cease.
- Rogers Family Eye Care may condition treatment upon the execution of this consent.
